 336,957.00 MDL

Historical and Cultural Value

Publishing House LUMINA is not just an editing house; it is a cornerstone of Moldovan educational and cultural literature. It has the distinction of being the first and only publisher to produce significant works in Latin script and school textbooks during the Soviet era.

Numerous prominent local writers, including Spiridon Vangheli, Mihai Cimpoi, Nicolae Esinencu, Efim Tarlapan, and others, grew up with this esteemed institution.

The Publishing House has developed various collections that have shaped Moldovan society, such as "A fost odată..." (fairy tales), "Făgurași" (children's poetry), "Ghiocel" (poems and drawings by talented children), and "Biblioteca școlarului" (school library series).

Key Historical Contributions

Latin Script Publications:

Pioneered the publication of works in Latin script, crucial for cultural preservation and education.

Educational Materials:

The sole publisher of school textbooks in the Moldovan Soviet Socialist Republic, meeting the educational needs at all levels.

Academic and educational publishing:

Published scientific, artistic, and musical works, as well as various illustrated productions, including maps.

Cultural Impact

Cultural Heritage:

Contributed to the preservation and dissemination of Moldovan culture and heritage through its publications.

Educational Influence:

Supported the educational infrastructure by providing high-quality instructional materials for students and educators.

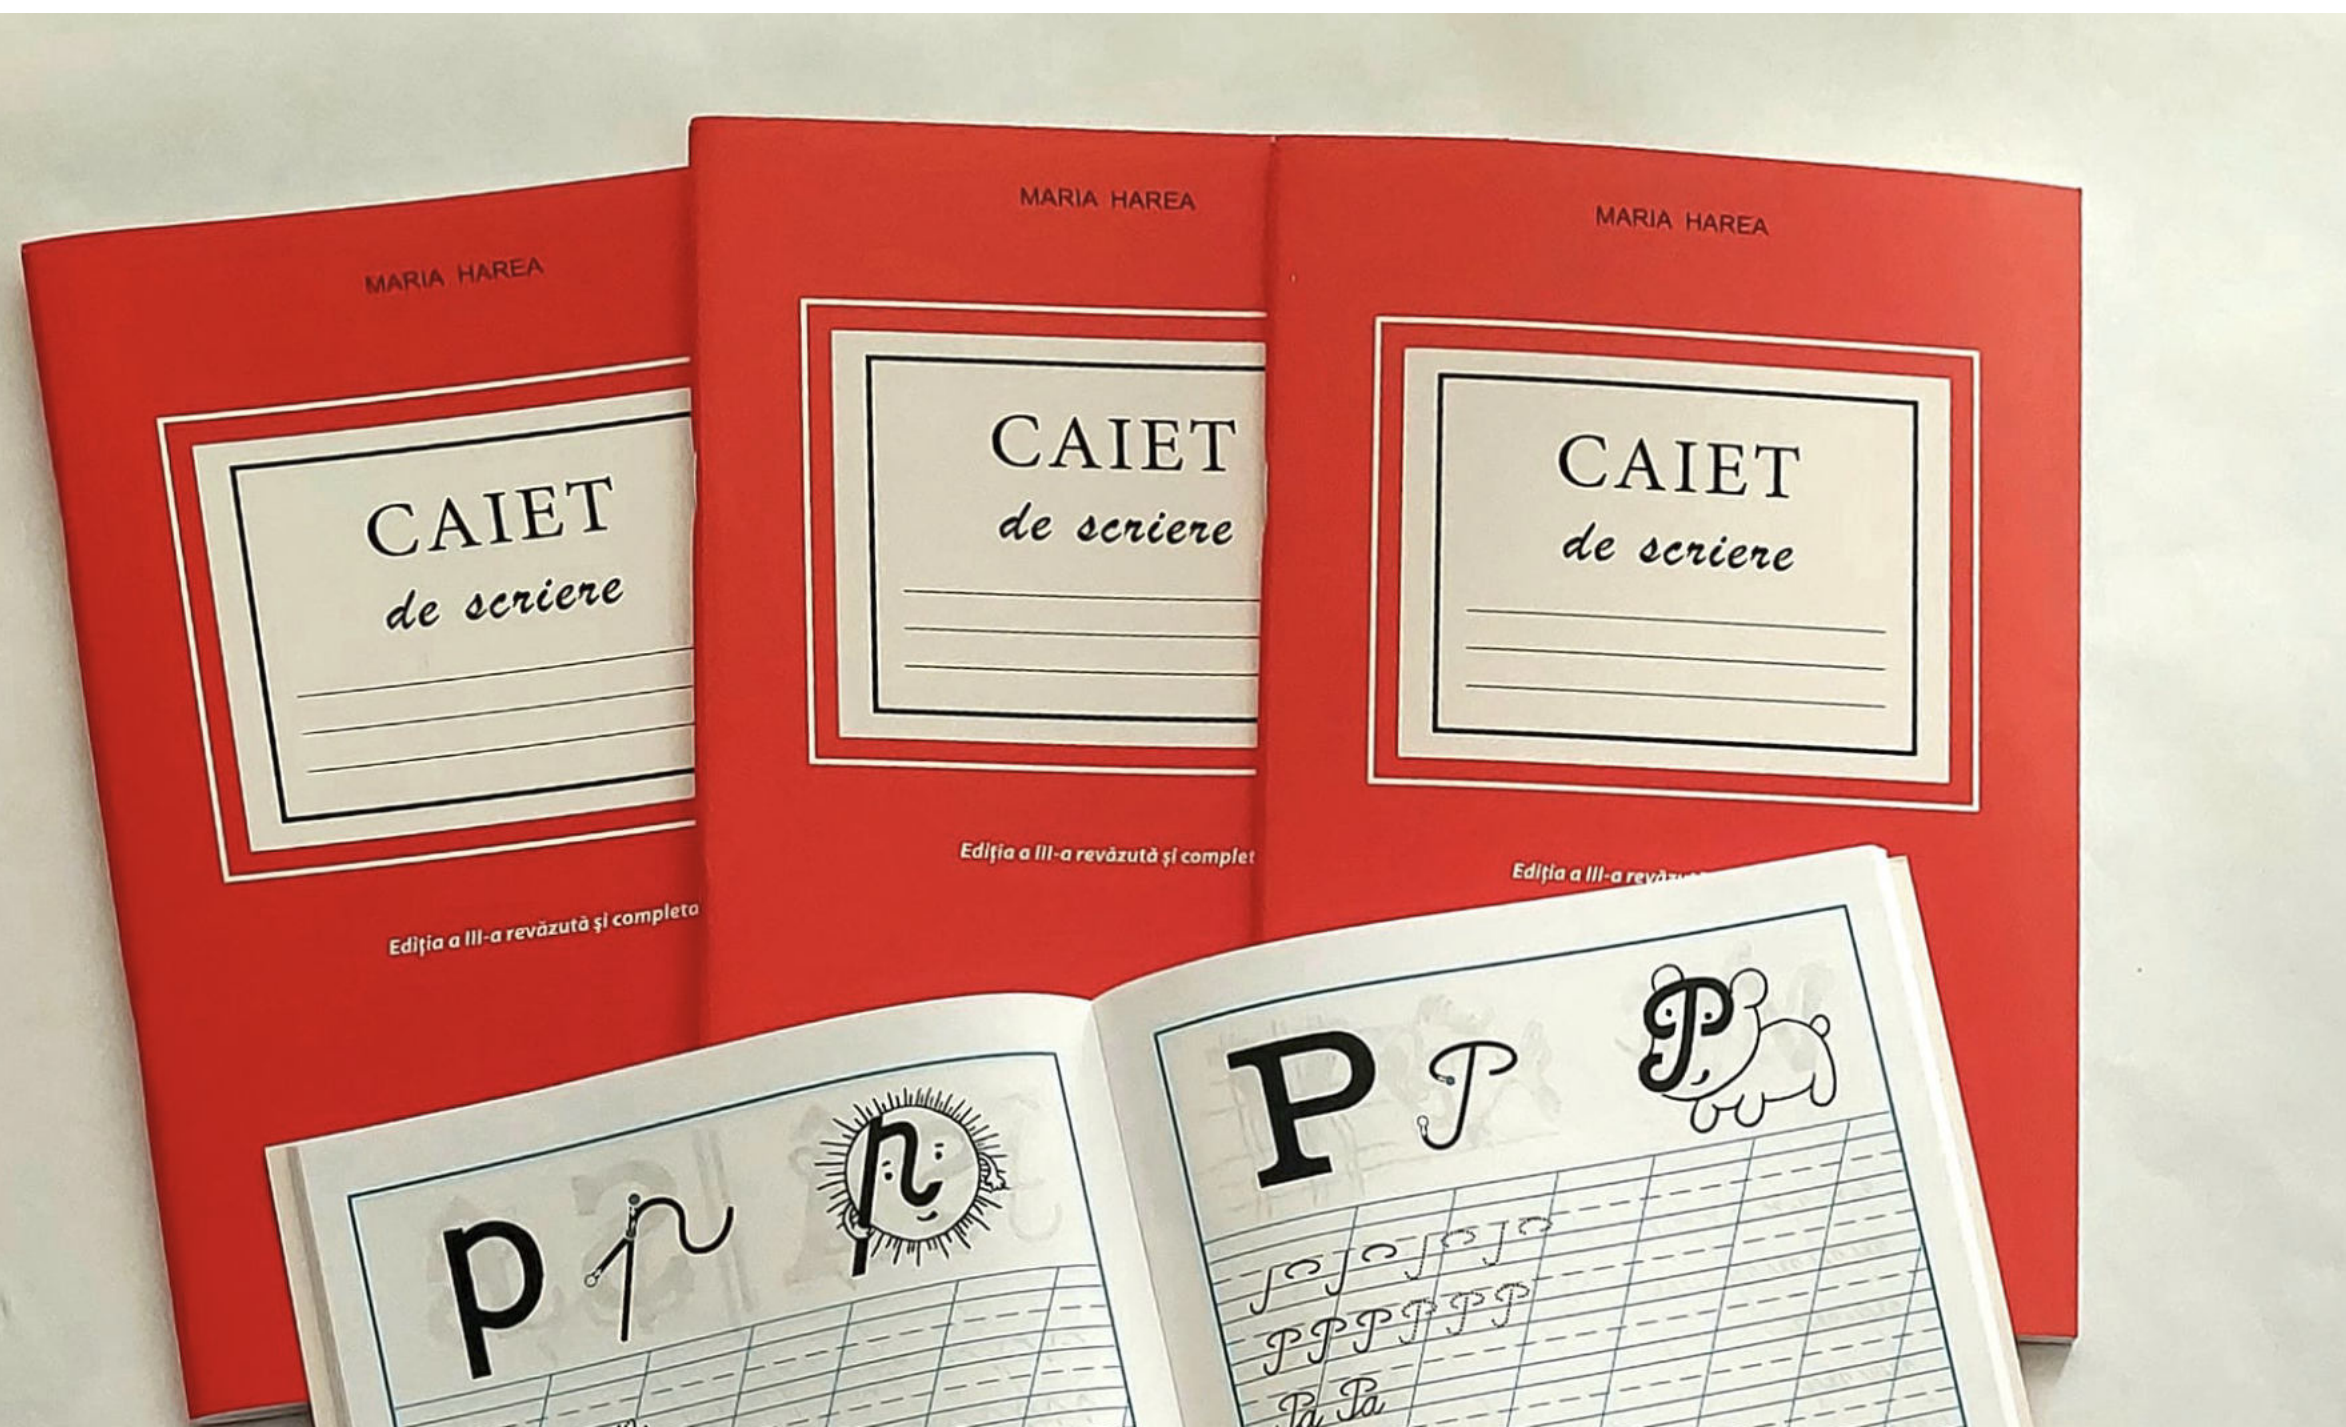

Market Position

Publishing House LUMINA holds a unique and prestigious position in the Moldovan editing industry. Its long-standing reputation for quality and reliability has earned it a loyal customer base among educational institutions and the general public.

Financial Overview

Revenue Streams: Revenue from editing and the sale of textbooks, literature, and other publications.

Key Investment Drivers

Modernization Potential:

Potential for integrating digital editing platforms and technologies.

Historical and Cultural Prestige:

Investment in a culturally significant institution with a strong and notorious brand legacy.

Growth Potential:

Opportunities for modernization and expansion into paper and digital editing.

Privatization Current Status

Editura LUMINA is included in the list of state assets subject to privatization and is currently in the preparatory stages, following the required procedures before being exposed for privatization. Interested investors are encouraged to monitor the specified websites for informative announcements and opportunities to participate in the privatization.
